Ottawa

the
Fish Market
restaurant

The Fish Market Restaurant located in the heart of the historical Byward Market, is noted for serving up the finest fresh fish and seafood available. Brought in daily from the waters of the world, The Fish Market Restaurant boasts at having the largest selection of fresh fish available on the menu every day. An award winning restaurant with a progressive wine list, great food & service.

VINEYARDS Wine Bar & Bistro

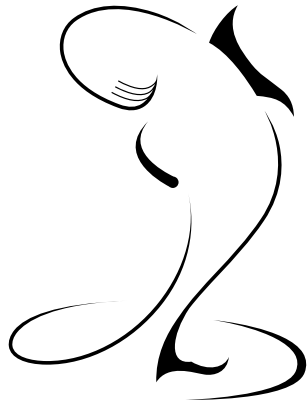

This award winning wine bar has become an Ottawa institution Honoured every year since 1989 by the Wine Spectator with the "Award of Excellence" for having one of the most outstanding wine lists in the world. Menu features are Pork Medallions, Veal Parmesan and cheeses of the world. This candle lit cellar features a traditional bistro menu, live jazz Sunday, Tuesday and Wednesday. No cover. Located in the cellar of The Fish Market Restaurant.

Coasters Seafood Grill

Coasters Seafood Grill is located on the second floor above The Fish Market Restaurant overlooking the bustling, historical Byward Market. This popular seafood grill proudly offers a menu of "fresh fish on the open barbecue". Menu features are Halibut Fish & Chips, Garlic & Herb Crusted Salmon and our famous Alaskan Crab Cakes.

LOCATION

Ask anyone where the preferred fresh fish and seafood restaurant of the nation's capital is and they will tell you its located in the heart of the historical Byward Market which is downtown Ottawa.

The Fish Market restaurant is surrounded by all the major attractions and hotels, theatres, night clubs, and magnificent boutiques and shops. Only minutes from us are the parliament buildings, National Arts Centre, The Canadian Museum of Civilization, and The Rideau Centre with its more than 200 stores.

Casino de Hull, in Quebec, is only 3 kilometres away across the bridge and up a tree lined drive with a view of the lake.

THE FISH MARKET TOUR PACKAGE POLICIES

1. **AVAILABILITY:** The Fish Market will endeavour to meet your date and time whenever.
2. **MENU CHANGES:** As well as the packages listed within, The Fish Market will make a special package of any of our menu items if you desire. Please call our office for further information.
3. **SUBSTITUTIONS:** A meat substitute is available for non-fish eaters. A vegetable substitution is also available.
4. **PROMOTIONAL MATERIALS:** The Fish Market will print a special menu for your group. At the time of booking, please outline what you want printed and you've got it! Customers are free to take this menu home with them. Various promotional materials are available at our sales office. All you have to do is ask.
5. **DRIVER/ESCORT MEALS:** The Fish Market will provide one complimentary meal with every 20 people.
6. **PARKING:** Parking is available near our location. The cost of parking is not included in our package prices.
7. **LATE CHARGES:** An Extra charge may be levied due to the late arrival of your group. This would cover the cost of labour and other expenses due to the late arrival of your group.
8. **PRICE CHANGES:** The Fish Market reserves the right to adjust group prices due to increased costs. We will confirm any price changes prior to the actual booking.
9. **CANCELLATIONS:** Cancellations may be made up to 24 hours prior to the date. If a cancellation is made with less than 24 hours notice, a cancellation fee may be charged.
10. **PAYMENT:** Payment can be made in one of two ways - on a cash basis collected after the meal or on an invoice basis, in which case we would require a credit application completed.
11. **PRICES:** All prices exclude taxes and gratuities, unless otherwise stated.
12. **AMERICAN EXCHANGE:** The prevailing rate is given on American currency in The Fish Market.
13. **EXTRAS:** Our restaurant is licensed for alcoholic beverages and is taxed as dictated by law.
14. **SEATING ARRANGEMENTS:** We will try our best to accommodate you in the room and seating arrangement you require.
15. **CONFIRMATION** Each tour guide must telephone the restaurant to confirm their pax and arrival time 24 hrs before the date of the function.
